

BRCGS Policy Statement

At Integrity Communications Group, we recognise and accept our responsibilities to our customers to ensure the Quality, Safety and Legality of our Packaging products and are committed at every level of the organisation to achieve continuous improvement in our performance and wherever possible improving product quality and safety.

It is our policy to exercise due diligence, and to take all practicable measures to comply with the requirements of ISO9001, ISO14001, ISO27001 and where defined by the scope, the BRCGS for Packaging Materials.

The commitment of this policy will be met through ensuring that all raw materials purchased comply with current legislation and regulations and providing all employees with appropriate training and understanding of their responsibilities for complying with the Company's packaging safety procedures, and for reporting to management anything that may compromise packaging safety.

Implementation and maintenance of the BRCGS system is the responsibility of the BRCGS Compliance Manager who is also the Management Representative.

This policy will be reviewed annually or in the event of significant change within the organisation.
